

The RESILIENCE Campaign

Basima

Something bad happens to me at school: no one ~~talk~~ talk to me, girls avoid sitting with me and they don't talk to me only a little.

and ~~when~~ when the teacher asks me, I don't understand anything, and some of the student's laugh.

~~This is a bad thing~~

This is a bad thing, I stay away from everyone to avoid problems, and I smile but inside my head I speak my mind and I am patient.
